CHRISTMAS PROGRAM

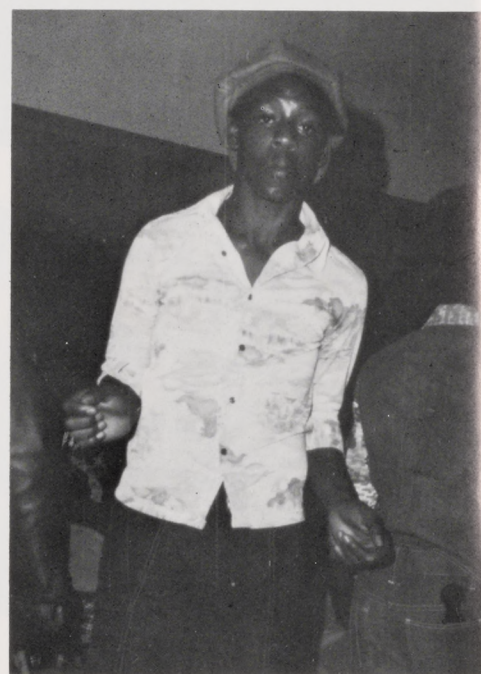

Chorus, Band and an enthusiastic group of actors worked hard to make the '76 Christmas Program a big hit. The Chorus, under the direction of Amy Stratton, provided Christmas carols, while Gary Locke's famous Coombs Band played out those favorite Christmas tunes.

CHRISTMAS DANCE

The students who took part in the 1976 Christmas dance went all out to turn on the Christmas Cheer. Dancing was the thing, but those who wanted to just eat and talk had a good time too.

CHESS TOURNAMENT

Chess, a game of concentration and skill, is reflected on the faces of these players during the annual chess tournament. Players are kept wide awake by the thought that one wrong move can cost them the game.
